Dear Professor Surname,

We have a pleasure to inform you that the

19th International Conference on Functional Equations and Inequalities,

as previously announced, is going to be held in the *Mathematical Research and Conference Center* in Będlewo, Poland, from **September 12, 2021** (Sunday, arrival in the afternoon) to **September 18, 2021** (Saturday, departure after lunch). The conference is organized by the *Department of Mathematics of the Pedagogical University of Krakow* and under the auspices and a financial support of the *Stefan Banach International Mathematical Center*.

We take the risk of organizing the meeting bearing in mind the unknown pandemic situation, necessity of fulfilling special requirements and possible further limitations and restrictions. We do hope that, in particular, the vaccination process will help to make the situation in our country, by September, more stable than it is now. We are aware that for many people it may be difficult to come to Poland, but we still hope that it will be possible, and safe, at least for those from Poland and the EU countries. In any case, we have to expect a limited number of participants this time.

One must be aware that if the actual situation is dangerous on September, the conference will be canceled. This may happen also according to the decisions of state or local authorities. Clearly, in such a case we will return any payments you made.

We strongly recommend, not only because of COVID, being provided with an insurance policy and strict obeying all the sanitary requirements.

The conference is addressed especially to people interested in functional equations and inequalities but also in other related topics. In view of your acknowledged contributions to the field we are pleased to invite you to participate in the conference!

Like it was a practice during previous meetings, a few mathematicians will be invited by the Scientific Committee to give longer lectures. Other participants are encouraged to deliver 20 or 30 minute talks.

The total participation fee is 1400 PLN (320 EUR, 380 USD). If you are going to travel with an accompanying person, the fee for him/her is the same. The fee covers the full board, accommodation in single rooms only (does not apply to accompanying person) and all possible to be organized social events during the meeting. The conference organization, including facilities and materials will be covered in particular from the external support.

The total fee can be paid via bank transfer or upon the arrival. In case you pay the fee via bank transfer and then for any reason you will not be able to participate, we will return it provided that you inform us till the end of August.

We are also thinking about making the conference partially on-line. That means both a remote (real time) contributions to the scientific program held in Będlewo, as well as a possibility to follow this program on-line by registered participants (with no fee).

Please let us know about your decision concerning your participation in the conference by completing the registration form which you can find under the unique link:

http://icfei.up.krakow.pl/19ICFEI/person_identifier.html

as soon as possible but no later than **June 6, 2021**.

Let us call your attention to the web page of the conference:

<https://icfei.up.krakow.pl/19ICFEI/>

where you may find up-to-date information about the conference.

We would like to draw your attention to the PROM project. It creates a financial framework enabling foreign Ph.D students to participate in international conferences organized by the Pedagogical University. The qualification to the project takes place in the competition mode. If you are interested in the financial support (travel and accommodation) please visit the project webpage

<https://prom.up.krakow.pl/en/>

If you have any questions or need any assistance to enable your participation – please do not hesitate to contact us. The official e-mail of the conference is:

icfei@up.krakow.pl

We hope to meet you in Będlewo!

Yours sincerely,

Jacek Chmieliński
