Please contact the organizers, immediately, if you intend to use the conference bus from Poznań and you are not on the above list or you haven't got the e-mail with information about the bus yet.

The bus will be marked with a conference logo and the bus driver will wait for the participants near the exit from the main building of the Railway Station (exit by Dworcowa street) or the exit from the Airport building. The bus driver will have the list of participants, a conference logo and will leave after collecting ALL participants from the list.
